Reference Letter – Dariusz Kowalski

It is my pleasure to provide this reference for Dariusz Kowalski, who served as a Software Tester in our team. During his tenure, Dariusz consistently demonstrated exceptional commitment, strong ambition, and a clear drive for continuous professional development.

He approached every task with diligence and a high level of reliability, always ensuring that his work met the expected standards of quality and precision. Dariusz showed initiative in expanding both his technical skills and his broader understanding of software quality processes.

Equally noteworthy is his willingness to support others and contribute to a collaborative working environment. He actively shares knowledge, proposes improvements, and remains open to constructive feedback, thereby positively impacting team dynamics and efficiency.

I confidently recommend Dariusz Kowalski as a trustworthy, conscientious, and motivated professional who would be a valuable asset to any IT team.

Sincerely,
Oskar Miodoński
